EUROPEAN. Pants, September 9th .- The correspondent of the London Name, August 197th, referring to the intrigues of Cambella for political ascendency, says that be has been surreptitionally stirring up the country to aritate and petition for the immediate dissolutio of the National Assembly. The effect of this agits tion all through the country scens to have pricked the conscience of Faidherbe, and he tendered his reeigration. A significant feature of this is that it is the first step towards the resignation of the whole ect one Left en masse, for it is thus that they hope to force the Chamber to dissolution. This step gain ed, their project is for Gambetta and Faidherbe to come forward as candidates in all the cighty-six desurements in France and claim the Presidency and Vice Presidency of the Republic on the strength of

being elected in a majority of them. FARIS, September 10th -A conspliney has been discovered at Toulon to burn the greenel and liberate the convicts.

Count Buest Williammer, Vice-Admiral of the French Navy, died yesterday, aged 60.

General Manteuffel, commander of the German army of occupation, after announcing yesterday the consent of his Government to the evacuation of the Desertments around Paris, diped with President Thiers and Generals Ducrot and Chauzy. The Depurtment of the Seine will be evacuated on the first, after which the troops will be withdrawn from the other points at the rate of one thousand daily.

The number of deaths in Paris during the past week is \$62. Returns show that the typhoid fever is increasing and becoming epidemic Minister Pouyer-Quertier has introduced in the

Assembly, as a provisional and temporary measure, the bill leaving one-tenth of the proposed increase in the taxation to meet the immediate demands of the Government. The bill finds considerable oppoellion in the Chamber.

Loxbox, September 6th,-A terrible explosion occurred this morning in a coal mine near the town of Wigam, in Lancashire. Some fifty persons who were on the seam of the mine at the time of the catastrophe were cut off from communication with the outer world, and it is feared all are sufficiented. A party sent down to ascertain the condition of the men who have-been burned alive, are still in the mine, and have, it is thought, perished. The neighburhood of the disaster is throughd with the relatives and sequaintances of the supposed victims, and the somes are of the most heart-rending description. Details are awaited with nuxiety. An accident occurred to-day on the Western Rail-

road, at Reading. Sixteen persons were hurt. The London Republicans have lesped a programm as follows: The application of federation principles: cution; the State to provide work for able-bodied men, and sustenance for those incapacitated for work; nationalization of land; popular legislation

and the diffusion of Republican Loxnox, September 6th.-A large meeting was held in Glargow to night to support the strikes in Newcastle. Resolutions calling for a reduction of the term of day's work to nine hours were adopted. The hall was crowded, but good order prevailed.

It is believed Mayor Hall's request for the resignation of Controller Councily will be refused. The inter will be the means of securing a description of and paid by deponent, without any suspice have met with an indignant response from the transactions of the city government. The only difare a great deal more crafty and deceltful than the ties against the city and county at the time of the with Mayor Hall, and the event gave rise to a great them t charging him with disregord of law in his many rumors that he would be appointed to succeed Councily, in case the latter resigned.

LONDON, Sept. 12 .- It is denied that the cholera is abating in Rossia. There is still an average of 150 FOR A TERM OF YEARS deaths per day in Kief.

LONDON, Sept. 12.- A special to the Times from Versallies, says Thiers sent a message to the Assembly on Tuesday, which will be read to-day. He urges the adoption of the proposition for a provisional increase of revenue, and is sorry that the weariness of members and the approach of vacation prevent a discussion of the new taxes with the neces Chamber should soon separate, to re-assemble at an enriv day. In conclusion, the President says be relies on the patriotism of the country to preserve perfect tranquility and order, which France needs to revive her credit.

The Ambassador at Washington will brobably be a nephew of De Tocqueville. The election at Truro proceeds. Hogg, Conserva-

tive, will probably beat Jenkins for Parliament. The betting and enthusiasm are great on the St. Legar race, which comes off to-day. A later dispatch says: St. Leger was won by Baron Rothschild's filly Hannah, the winner of the Oaks; Albert Victor was second, and Ringwood third.

New York, Sept. fl .- The injunction case against the city officials came up this morning. The defendants all appeared by counsel, and announced their rendiness to proceed. The Controller's office, this morning, was found to have been entered by burglars, and a number of

vonchers and bills paid in 1870 stolen. A great crowd assembled in the Court-house today, to witness the proceedings in the injunction suit against the city officials. Corporation counsel O'Gorman appeared for the city officials, and said his clients desired no delay; they were ready to meet the charges. The personal counsel for Tweed do eired delay, in order to put in a separate answer, as

he had failed to secure any specific statement of

charges against him. The great crowd recessitated an adjournment to the Circuit Court-room, when

the reading of the affidavits was begun by O'Gor-The affidavit on behalf of the Board of Super visors was first rend, and consisted of a general and specific denial of the charges against them; it was signed by A. Oakley, Hall, President of the Board of Supervisors. O'Gorman next read a paper served on counsel for plaintiff, a demurrer to the effect that plaintiffs have not the legal especity to sue, and second, that the complaint does not set out facts

anfficient to constitute a cause of action.

The next, an affidavit by Mayor Hell, was read; e states among the allegations of plaintiff- are several to the effect that he, as Mayor, is pecuniarily nterested in the New York Printing Company, and Manufacturing Stationers' Company, and the Trus script and Leader, and that he employed the same to his emolument, against law and good taste. He protests against the impertinence and malicious spirit of said complaints; declares he has hever been, and is not now, and does not expect to be, directly or indirectly, pecuniarily interested in said publications or companies, nor has employed the same to his emolument, against law and good taste. He asserts that's mee being Mayor, he never received abolition of titles and privileges; suppression of any emolument, or has been interested in the paymonopolies; abolition of armies; compulsory edu. | ment of money from the Treasury, except for some services as District-Attorney, and salary as Commiseloner of the Sinking Fund. He protests against the necessity of making this affidavit, and pronounces every allegations of, or inference arising from the complaint that he derived pecusiary benefit at public expense, other than his salary as Mayor, to be scandalous.
